

CORDLESS PRESS TOOL FOR PROFESSIONALS

Engineered with high durability to deliver precise and reliable pressing solutions - universal up to Ø 54mm

- **LED DISPLAY**
Device information – Press count, Battery indicator, Error display and Maintenance reminder
- **LONGER SERVICE INTERVAL**
1 year / 40,000 press counts
- **ERGONOMICALLY DESIGNED**
Swivelling head for easy access to confined area

AUTOMATIC PRESSING CYCLE

LED LIGHT

MANUAL RETRACT IN CASE OF INCORRECT OPERATION

HIGH PERFORMANCE 18V LI-ION BATTERY

SPECIFICATIONS

Output:	32kN
Stroke:	40mm
Cycle time:	3-6s
Press cycle/charge:	350 cycles
Battery:	18V Li-ion 4.0Ah
Charging time:	80 mins
Charging voltage:	AC 100V-240V 50/60Hz
Service interval:	40,000 cycles
Weight:	4.1kg (tool), 6.2kg (tool with jaw)
Tool size:	490X89X123mm
